

"I am the vine; you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing."

John 15:5 (NIV)

The Lord is my shepherd;
I have everything I need.
He lets me rest in fields of green grass
and leads me to quiet pools of fresh water.
He gives me new strength.
He guides me in the right paths,
as He has promised.
Even if I go through the deepest darkness,
I will not be afraid, Lord,
for You are with me.
Your shepherd's rod and staff protect me.

You prepare a banquet for me,
where all my enemies can see me;
You welcome me as an honored guest
and fill my cup to the brim.
I know that your goodness and love
will be with me all my life;
and your house will be my home as long as I live.

SOFTWARE**

The Lord is My Shepherd

Accessible software for all individuals teaching basic truths from the Bible in a simple and visually appealing manner.

The Lord is My Shepherd Mac/Win CD

A collaboration between Marblesoft and Branch of the Vine software, The Lord is My Shepherd is an interactive version of the 23rd Psalm, featuring beautiful artwork and original music.

The Lord is My Shepherd is the first of a series of software programs designed to teach basic truths from the Bible in a simple and visually appealing manner. It incorporates the principles of Universal Design, and is designed to reach all users with the message of God's love for them.

He leads me to quiet pools of water.

The Lord is My Shepherd CD presents Psalm 23, Good News Translation, in 12 screens, with each line of the Psalm illustrated and animated. As the narrator reads aloud each screen, the corresponding text is highlighted, engaging early readers. Music and song help make this program appealing.

The Lord is My Shepherd CD is an ideal supplement to Christian education, making the Gospel clear to all individuals, including those with autism spectrum disorders. No prerequisite skills are required. The Lord is My Shepherd CD can also be used as an introduction to Jesus for those individuals who may not have the opportunity to attend church or a Sunday school class.

Dozens of options allow the program to be customized for any user, from auto-play to cause and effect to full interaction. It can be controlled with mouse, keyboard, touch screen, or switches. Early readers and switch users page through the story at their own pace, stopping to repeat the narration, play with the animation or just enjoy the rich scenery and soothing sounds. A beautiful, rewarding experience for learners of all ages.
